

CHURCH OF THE LITTLE FLOWER

800 Stevenson Drive

Springfield, IL 62703-4218

217/529-1606

Dear Parents,

Thank you for choosing to send you child(ren) to Little Flower Catholic school. I know you are making a sacrifice economically to do so, but I hope you feel that it is worth it. We believe that the faith based education they receive will be beneficial for them for the rest of their lives.

However, please remember that the faith they learn and live here is only meant to support and strengthen the Catholic faith they learn and live from you. You are the primary teacher and example of faith for your child.

It grieves me to see how many families do not attend mass on weekends with their children. It seems contradictory to teach religion, to pray in school, to share faith with the children – but do not see you support that faith by praying with them on Sundays in Church. Taking part in Mass With the whole Christian community is fundamental to what we are about as Catholic families.

Please make every effort to be at mass this weekend and every weekend with your children.

In Christ
